Increase in the Normative Cost of Sugar Factories

1768. SHRI SATISH PRADHAN: Will the Minister of FOOD be pleased to state:

(a) whether it is a fact that the normative cost of the sugar factories has increased after 1990; and

(b) if so, the details thereof?

THE MINISTER OF FOOD AND MINISTER OF CIVIL SUPPLIES, CONSUMER AFFAIRS AND PUBLIC DISTRIBUTION (SHRI DEVENDRA PRASAD YADAV): (a) and (b) The Government has not prescribed any normative cost though the financial institutions while assessing the projects have been going by a certain standard taking into account the financing pattern and the prospect of return on capital. The financial institutions are generally concerned with the debt-equity ratio and the financial viability of the project. Since the State Governments contribute a large part of equity of the Cooperatives and also have to guarantee the loans, the question of availability of total finance for a particular unit has to be resolved between them, the cooperative and the financial institutions.
